

MAS-Struski- THE PHOTOGRAPHIC DOCUMENTATION of 26 next sites of the TEMPLE OF EARTH OF THE DRUIDS

09/05/2011 13:06 by Andrzej i Magdalena Struscy de

MAS-Struski- THE PHOTOGRAPHIC DOCUMENTATION of 26 next sites of the TEMPLE OF EARTH OF THE DRUIDS The photographic documentation of next archaeological sites which make a common complex that indicates the fact that it is the complex of the Temple of Earth of the Druids. The archaeological group which was preliminarily recognised by us consists of 38 sites. To the 10 that have been already reported 28 more are added. Cultic altars. 1 The northern slope above the Source de la Madeleine

Photo 1 2 altars in the area of the historical region, the hill to the west of Rennes les Bains. Photo 1
